Re: Response to Deficiency Letter Dated December 20, 1984, Utah Power & Light Co., Deer Creek Mine ACT/015/018, #2, Emery County, Utah

Dear Mr. Daniels:

This office has completed its review of the above-mentioned response. It is our understanding that the 14 acre-foot sedimentation pond will not be altered, and that only the diversion system around the disturbed will be upgraded. If this is true, no additional approval is required.

Sincerely,

*FOR* *Robert L. Morgan*
