Dear Mr. Jense:

RE: Finalized Assessment for N86-4-3-3, #3 of 3, ACT/015/018, Folder #8, Emery County, Utah

Due to the nature of N86-4-3-3, #3 of 3, additional information requested by the Division is necessary to finally assess the penalty for this violation. As you are aware, it has recently been determined that the road in question should be classified as a Class II road rather than the Class II road designation outlined in your mining and reclamation plan. Just as soon as I receive this information, I will finalize the assessment and promptly forward the results to you.

Thank you for your patience in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Barbara W. Roberts".

Barbara W. Roberts  
Assessment Conference Officer
