RE: Utah Power and Light, Liability Insurance, Wilberg Mine, ACT/015/019; Deer Creek Mine, ACT/015/018; Des-Bee-Dove Mine, ACT/015/017; Folder #4, Emery County, Utah

The Utah Power and Light liability insurance is a self-insurance policy with a deductible of \$2,000,000, underwritten by Lloyd's of London. Upon referencing the Best's Rating Key Guide for rating and licensing, I was unable to find Lloyd's of London. I called the Insurance Department and they said that Lloyd's of London is "authorized" but not "licensed" to do business in the state of Utah. Therefore, according to UMC 800.60(A), the company is "authorized" to do business in the state of Utah.
