Mr. John Whitehead, Permit Supervisor
Division of Oil, Gas & Mining
State of Utah

Salt Lake City, Utah 84180-1203

Dear Mr. Whitehead:

This letter is to document our discussion last week concerning the rock slide at the Deer Creek Mine. The slide occurred on the east side of the mine office area blocking the east parking lot. The slide occurred early on June 13, 1988.

Currently cleanup measures are being done. As you know employee safety and environmental stability are our main concerns.

Prior to June 30, 1988 a complete timetable for correction of the slide will be provided to the Division.

Sincerely,

A handwritten signature in cursive script, appearing to read "David Smaldone".
