CERTIFICATE OF ANALYSIS

Utah Power & Light
Box 310
Huntington, UT 84528

ATTN: Guy Davis

Gentlemen:

The enclosed certificate of analysis No. 88-5075 is on sample of soil received 12-30-88.

- 1- The results indicate a level of oil and grease at 805.6 ppm.
- 2- The oil extracted from the sample has a flashpoint greater than 300 F.
- 3- This oil appears to be a heavy oil, similar to crankcase oil; the viscosity is greater than 125 SUS.

Sincerely,

FORD CHEMICAL LABORATORY, INC.

Lyle S. Ford
