Dear Pam:

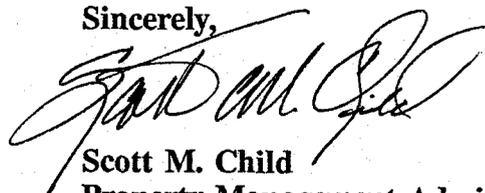

In response to your letter dated 11/28/90 to Mr. Blake Webster, transmitted herewith for final execution by the Division of Oil, Gas and Mining are the Reclamation Agreements for all three (3) mines. Each agreement has been signed and sealed by both the principal and the surety.

Legal descriptions of the disturbed areas for each mine are included on Attachment "A" of Exhibit "A" of each agreement. Accompanying topography maps depict each disturbed area.

Upon final execution by the Division, would you please return two (2) final executed copies to my attention at this office.

Should you have any questions, please feel free to contact myself or Blake Webster.

Sincerely,
