91-02-244-002 (Cottonwood/Wilberg Mine) *ACT 1015/019*

Dear Mr. Fritz:

Pursuant to a conversation with Mr. Tom Memmot of your office, this is to formally report an error in our recent correspondence of July 11, 1991. We inadvertently referred to the TDN numbers for the roads in question rather than the NOV numbers correctly indicated above.

We apologize for any inconvenience this error may have caused you. Thank you for your consideration.

Sincerely,
