RE: SEDIMENT POND DRAWING AMENDMENT, DEER CREEK MINE, ACT/015/018

Dear Pamela:

We propose an amendment to the Deer Creek Mine permit. I am enclosing only the revised text. Two drawings for this proposal were delivered to Henry Sauer on 5/3/91 as requested by the mine inspection of March 25 & 26, 1991. The approved amendment would require the following changes:

- Table of Contents, Page 10, revised 11/24/87 would be replaced with Table of Contents, Page 10, revised 5/7/91.
- Drawing CM-10867-DR to replace the present drawing MK-00-52-1-009. (Packet 3-16)
- Revised drawing MK-00-52-1-010 to replace present drawing of the same number. (Packet 3-16)

Upon approval, we will provide additional copies of the maps at your request. If there are problems, please call me at 220-4584 or Guy Davis at 653-2312.

Respectfully,

Guy Davis (for)
