Re: Request for Abatement Extension, NOV 90-35-4-7,
Deer Creek Mine, ACT/015/018, Emery County, Utah

Dear Ms. Littig:

Pursuant to our discussion on February 25 regarding abatement of NOV 90-35-4-7, we respectfully request an extension to March 28, 1991, in which to respond. This extension will allow a more thorough response to abatement regarding permit amendment, reseeding and installation of sediment control structures.

Thank you for your consideration.

Sincerely,

J. Blake Webster
