Dear Mr. Webster:

Re: Updating Permit Application Package, PacifiCorp Electric Operations, Deer Creek Mine, ACT/015/018, Folder #2, Emery County, Utah

Pursuant to a meeting I had on December 13, 1992 with Mr. Val Payne, the following updates to the Deer Creek Permit Application Package (submitted October, 1990) should be made:

- \*\* The legal, financial, and compliance section will be updated and submitted by January 15, 1992.
- \*\* The Table of Contents will include a comparison of the currently approved permit that will guide the reader from the approved plan to the updated Permit Application Package. This information will be submitted by March 13, 1992.

If you have any questions about this, please call me. I appreciate your cooperation and effort with this. Thank you.

Sincerely,
