Dear Mr. Webster:

Re: Culvert Calculations (NOV #N90-35-4-1), PacifiCorp Electric Operations, Deer Creek Mine, ACT/015/018, Folder #2, Emery County, Utah

Calculations submitted April 24, 1991 regarding the culvert related to NOV #N90-35-4-1, have been reviewed. The text in the submittal states that the actual culvert sizing is less than adequate due to what is termed as a "DWR request." However, there is no supporting documentation in the submittal to this effect. Therefore, documentation as to the "DWR request" must be submitted to continue the review.

Please submit this information by September 20, 1991.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
