**RE: DIVISION ORDER DO-92B, PACIFICORP, DEER CREEK MINE,
ACT/015/018, EMERY COUNTY, UTAH**

#2

Dear Ms Grubaugh-Littig:

Per a phone conversation today between Jesse Kelley and Karl Houskeeper, the following revisions have been made to DO-92B and are enclosed:

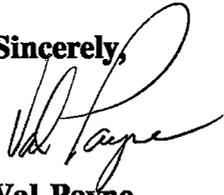

Page 3-41 has been revised, deleting discussion of a variance for the 18% road grade.

Pages 3-42 and 3-42.1 have been revised indicating that the ancillary roads are used infrequently. A discussion of the Waste Rock Access Road has also been provided.

Pages 4-59.3 and 4-60 have been revised indicating that the quantity information provided for Items 3-A, 3-F, 3-G and 3-G-1 was taken from cross-sections found in Map Packet 4-4, Maps 1 of 3 and 2 of 3.

If you have further questions please feel free to contact Karl Houskeeper or myself at 653-2312.

Sincerely,

A handwritten signature in black ink, appearing to read "Val Payne". The signature is fluid and cursive, with a large initial "V" and "P".

**Val Payne
Sr. Environmental Engineer**
