RE: Application for Incidental Boundary Change, Rilda Canyon, PacifiCorp, Deer Creek Mine, ACT/015/018-92F, Folder #2, Emery County, Utah.

Dear Mr. Braxton:

We reviewed the incidental boundary change proposed by PacifiCorp that would add 120 acres of leased Federal land (U-47977 and SL-050862) to the permit area for the Deer Creek Mine. The Manti-La Sal National Forest hereby consents to approval of the proposed incidental boundary change by the Division of Oil, Gas and Mining and the Office of Surface Mining Reclamation and Enforcement, subject to conditions already included in the mine plan and permit.

If you have any questions, please contact us at the Forest Supervisor's Office in Price, Utah.

Sincerely,

for
GEORGE A. MORRIS
Forest Supervisor
