Suite 2100
Salt Lake City, Utah 84140-0021

Dear Mr. Fry:

PacifiCorp Electric Operations' 1992 exploration plan for Federal coal lease SL-050862, drill hole EM-152, is approved as submitted, with revisions subject to the following conditions:

1. All drill holes will be properly sealed in accordance with the enclosed Bureau of Land Management drilling stipulations (note changes in No. 5).
2. All enclosed Forest Service Special Stipulations will be followed.
3. A Road Use Permit must be obtained from the Forest Service before any work begins.
4. The present lease bond is \$5,000.00. We will require that the lease bond be increased to \$17,000.00 to cover plugging procedures and final abandonment (\$10,000), and the reclamation of a new access road (\$2,000).
5. The project cannot be implemented prior to July 21, 1992.

Tom Rasmussen (801-637-4584 office or 303-243-3262 home) of my staff will be the point of contact for any questions and notifications.

Sincerely,

Gary Johnson
for Assistant District Manager
Mineral Resources
