RE: Mr. Peacock and the Citizen's Complaint, Deer Creek Mine, PacifiCorp Electric Operations, ACT/015/018, Folder #2, Emery County, Utah

Mr. Jim Peacock telephoned me on March 24, 1992 inquiring about the status of the PHC review of the PacifiCorp Electric Operations' mines in relationship to his citizen's complaint last year. I informed him that we sent a review in February 1992 and expect a response any day. I also told him that I would have Mr. Ken Wyatt call him next week to talk to him about the status of the PHC (363-5757, office).

Mr. Peacock asked about the public process to protest the PEO permits. I sent him a copy of R645-300, Coal Mine Permitting Administrative Procedures.
