Dear ^{Val}Mr. Payne:

Re: Correction of November 17, 1992 Inspection Report, Deer Creek Mine, PacifiCorp, ACT/015/018, Folder #5, Emery County, Utah

Following a telephone conversation with Karl Houskeeper on December 23, 1992, it was brought to my attention that the flow volumes reported in the November 17, 1992 inspection report were in error. These numbers appear in the Hydrologic Balance: Effluent Limitations section of the November 17, 1992 report. Attached is a copy of page 3 of that report with the flow amounts corrected. If you have any question please don't hesitate to call me.

Sincerely,

A handwritten signature in cursive script that reads "Ken Wyatt".
