Dear Mr. Hagen:

Re: Updated and Reformatted Plan, PacifiCorp, Deer Creek Mine, ACT/015/018-92E,
Folder #2, Emery County, Utah

Enclosed please find the updated and reformatted mining and reclamation plan for the Deer Creek Mine. The approved and successivly renewed mining and reclamation plan was reformatted and this updated document is now the approved mining and reclamation plan. A side-by-side review, completed September 4, 1992, was done to determine that there were not substantive changes made. Please insert these pages into your Deer Creek Mine permit application package.

Sincerely,

Pamela Grubaugh-Littig
