RE: **REQUEST FOR AN EXTENSION ON NOV# 93-7-1-3, 3 OF 3,
PACIFICORP, DEER CREEK MINE, ACT/015/018, EMERY COUNTY,
UTAH**

Dear Ms. Grubaugh-Littig:

The Deer Creek Mine PAP has been reviewed to determine how to incorporate the terrace area as required by the NOV. The review resulted in identification of maps, drawings and text pages that will need to be revised for submittal. Additionally it has been determined that additional information is needed to prepare an adequate amendment. The terrace area must be surveyed to develop adequate and effective operation and reclamation plans regarding hydrology and vegetation.

Therefore, PacifiCorp requests that a 45 day extension be granted on the abatement time for NOV# 93-7-1-3, 3 of 3 from October 29, 1993 to December 13, 1993.

Your help is greatly appreciated. If you have any questions please feel free to contact Guy Davis, Karl Houskeeper or me at 653-2312.

Sincerely yours,

Val Payne
