Dear Mr. Hagen:

Re: Supplemental Information, Incidental Boundary Change, Federal Coal Leases U-47977 and SL-05082, PacifiCorp, Deer Creek Mine, ACT/015/018-93E, Folder #2, Emery County, Utah

Enclosed please find updated Life of Mine plan map for the above-referenced incidental boundary change. The basic changes include: 1) Mining on the east side of the Third North "B" Mains, 2) Relocating the longwall panels approximately 400 feet northwesterly along Third North "B" Mains, and 3) Shortening the length of the first longwall panel (see attached copy of the cover letter).

Please submit your comments and/or concurrence by June 10, 1993. If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
 Permit Supervisor
