Dear Mr. Payne:

Re: Snow Removal Amendment, PacifiCorp, Deer Creek Mine, ACT/015/018-93A, Folder #3, Emery County, Utah

Additional information submitted February 26, 1993 relative to the above-noted amendment is acceptable. The third item, the commitment to notify the Division by the fastest available means if a potential discharge exists and a UPDES permit would be sought prior to any discharge, is found in the letter but is not contained in the PAP, and should be.

Please submit seven finalized copies of the pages for transmittal to other agencies (including the third item) by March 24, 1993.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".
