Dear Mr. Payne:

Re: Approval of Division Order DO-92A and DO-92B, PacifiCorp, Deer Creek Mine, ACT/015/018-DO-92A and ACT/015/018-DO-92B, Folder #3, Emery County, Utah

The above-noted Division Orders have been reviewed and are approved. These approved Division Orders have determined that the reclamation bond estimate for the Deer Creek Mine is adequate. A bond for \$2,000,000 is currently posted for the Deer Creek Mine and is considered adequate.

Please submit six more finalized copies of the updated pages relative to these Division Orders by January 29, 1993.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
