ACT/015/018 #5

Re: NOTICE OF VIOLATION, N94-25-1-1, PACIFICORP, DEER CREEK MINE,  
ACT/015/018, EMERY COUNTY, UTAH

Dear Mr. Carter:

PacifiCorp respectfully requests an Informal Conference regarding Notice of Violation N94-25-1-1. Additionally, I respectfully request an extension of the abatement time established for said NOV.

The NOV was issued on June 27, 1994 with an abatement time of 5:00 PM, July 12. Information addressing the issue associated with the NOV was submitted to the Division on June 27 and 30. The Division has indicated that it anticipates completing its review and decision making by July 15, 1994. Therefore, it appears that an extension of the abatement time is necessary to avoid further enforcement action. Please consider an additional thirty (30) days, until August 12, 1994.

Your consideration of this matter is greatly appreciated. If you require further information, please call me at 801-653-2312.

Sincerely,

A handwritten signature in cursive script that reads "Val Payne".

Val Payne  
Sr. Environmental Engineer
