**RE: ADDITIONAL INFORMATION FOR APPLICATION TO AMEND DEER CREEK
MINE PERMIT BY ADDITION OF RILDA CANYON LEASE TRACT,
PACIFICORP, DEER CREEK MINE, ACT/015/018, EMERY COUNTY, UTAH**

Dear Ms. Grubaugh-Littig:

#2

Transmitted herewith please find eight (8) copies of additional information regarding the above referenced matter. The materials are formatted such that they are compatible with the Rilda Canyon Lease Tract Amendment Application which was previously submitted. Also they are formatted for insertion directly into the currently approved Deer Creek Mine Permit document.

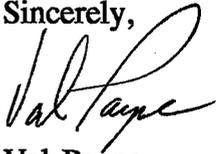

The information consists of pages 2-146 and 3-67.1. These pages address items included in the Agency/Applicant Action Summary which accompanied the previous Lease Tract submittal. A commitment was made, in the summary under 5/23/90, to submit information, at page 3-67.1, that would address a comment made by Mr. Henry Sauer. Additionally, under 1/7/91 in the summary, applicant committed to address, at page 2-146, a USFS comment. The two enclosed pages fulfill the commitments.

Also accompanying this letter is page 1-60 of the Rilda Lease Tract Extension Application which has been revised per my meeting with you and Mr. Daron Haddock. As you recall, you and Mr. Haddock instructed me to revise the proposed newspaper advertisement to include the Rilda Canyon Surface Facility in the Notice regarding the Lease Tract Extension. The enclosed page 1-60, revised 3/17/94, provides the response to your instructions.

Accompanying this letter is Form DOGM-C2, Detailed Schedule of Changes to the Permit. Please refer to Form DOGM-C2 for information regarding placement of the materials into the current MRP.

If you have questions regarding these materials, please call me at 653-2312.

Sincerely,

A handwritten signature in black ink, appearing to read "Val Payne". The signature is written in a cursive style with a large, looping initial "V".

Val Payne
