Dear Ms. Grubaugh-Littig:

The Utah State Historic Preservation Office received the above referenced project on February 17, 1994. Pam, from my information the total track area was surveyed in 1990 and four sites located. Will the Extension Document reflect protection of these sites?

This information is provided on request to assist the Division of Oil, Gas and Mining with its Section 106 responsibilities as specified in 36CFR800. If you have questions, please contact me at (801) 533-3555.

Sincerely,

James L. Dykmann
