Re: Updated Disturbed Area Map (Plate 4-1), Deer Creek Mine, PacifiCorp,
ACT/015/018-94F, Folder #3, Emery County, Utah

Dear Mr. Payne:

The above-noted amendment to the Deer Creek Mine mining and reclamation plan to update Plate 4-1 to include the explosive storage area has been reviewed. This change is acceptable, except the plates lacked certification.

Enclosed please find the plates that require certification and return them to the Division. Upon receipt of certified Plates 4-1, the amendment is approved.

Sincerely,

Pamela Grubaugh-Littig
