Re: Surface Facility for Rilda Canyon, PacifiCorp, Deer Creek Mine, ACT/015/018-94E, Folder #2, Emery County, Utah

Dear Mr. Payne:

The above-noted permit change has been determined to be a significant revision. This permit change is associated with the other significant revision, the Rilda Canyon Lease Extension, ACT/015/018-94A, but is being handled as a separate significant revision. This application has been determined to be initially complete and the technical staff will now begin the review.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".

Pamela Grubaugh-Littig
