Dear Mr. Payne:

The Division received PacifiCorp's proposal to amend the subsidence monitoring plans for the Des-Bee-Dove Mine, Deer Creek Mine, and Cottonwood/Wilberg Mine on February 22, 1994. A discussion is being scheduled in the near future with appropriate personnel from PacifiCorp, the Division, the Manti-LaSal Forest Service, and the Bureau of Land Management regarding subsidence at the above-noted PacifiCorp mines. This amendment is being denied pending the outcome of that meeting.

Sincerely,

Pamela Grubaugh-Littig
