**Re: AMENDMENT MODIFICATION, DESIGNATED YARD STORAGE AREAS,
 PACIFICORP, DEER CREEK MINE, ACT/015/018, EMERY COUNTY,
 UTAH.**

#2

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, submit a modification to the storage designation amendment submitted on November 5, 1996. An additional area was identified that requires designation and should be part of the amendment mentioned above.

Please find as part of the modification, 3 copies of the drawing, Access Road Plan and Profiles, CM-10546-DR, Sheet 4 of 6, Plate 3-18, Volume 6, of the permit. This drawing will reflect the additional area to be included in the permit as a designated storage location.

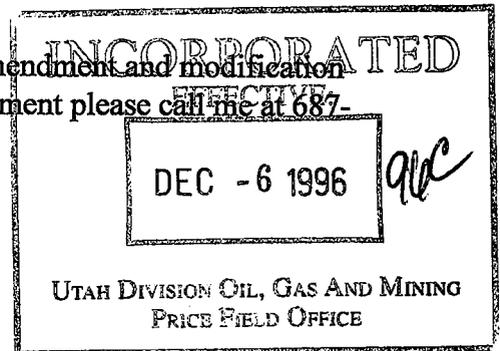

As before the text in the permit required modification to include this additional area and will be found high-lighted on page 3-32 (Revised 11-25-96), again, the following pages are revised only to accommodate the text per page, Pages 3-33, 3-33.1. Three copies of each page are being submitted at this time.

Reclamation Cost: No increase of cost will be necessary at this time.

Thank you for your assistance in processing the above mentioned amendment and modification to same. If there are any questions or concerns related to this amendment please call me at 687-4822.

Sincerely,
Richard Northrup
