Attention: Mr. Joe Helfrich

RE: As-Built Drawing for Rilda Fan Pad Drainage, Rilda Canyon, PacifiCorp, Deer Creek Mine, ACT/015/018-97-F, Folder #2, Emery County, Utah.

#2
PacifiCorp by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, herewith submit an As-Built drawing of the Rilda Canyon Fan Pad.

An amendment to construct a drop inlet box to aid in the drainage of the Rilda Fan Pad was submitted on July 1, 1997. The amendment was approved by the Division on July 28, 1997. Construction of the drop inlet box was completed on August 8, 1997. "Energy West" is now submitting an As-Built drawing.

Drawing CE-10883-EM, Plate 3-9 A from Volume 5 of the permit has been revised to depict the drop inlet box location. The drawing also shows the path of the surface drainage. Seven copies of this drawing have been included for your review.

The above drawing should satisfy the requirements pertaining to As-Built conditions of the Rilda Canyon Fan Pad.

If there are any questions or concerns, please contact Chuck Semborski at 687-4720 or John Christensen at 687-4725.
