PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits four (4) corrected copies of page 12 for the East Mountain and Rilda Canyon Surface Drilling Plan. The original submittal inadvertently listed the Phase 2 - Rilda Canyon Surface Drilling: "Projected Startup Date" and "Projected Completion Date" as July 30, 1996 and October 15, 1996 instead of July 30, 1997 and October 15, 1997. I apologize for any inconvenience this may have caused.

If you require any additional information please call me at (801)687-4720.

Thank you for your assistance in this matter.

Sincerely,

Charles A. Semborski
