Re: Correction of Error Found in the October 6, 1998 Submittal, "Extension Request for Submitting Highwall Elimination Amendment to the Deer Creek Mine MRP, PacifiCorp, Deer Creek Mine, ACT/015/018, Emery County, Utah"

An error was found in the October 6, 1998 submittal asking for and extension to amend the Deer Creek Mine MRP. The request stated in the first sentence of the second paragraph that "Energy West requests that the amendment submittal be extended until June 1, 1998." The sentence should have stated, "Energy West requests that the amendment submittal be extended until June 1, 1999." Please make note of the correction.

If you should have any questions, please feel free to call me at (435) 687-4700.

Sincerely,

Chuck Semborski
 Geology/Permitting Supervisor
