Re: Extension for Submitting Highwall Elimination Amendment, PacifiCorp, Deer Creek Mine, ACT/015/018, File #3, Emery County, Utah

Dear Mr. Semborski:

Your request for an extension of time to submit an amendment which addresses highwall elimination is hereby approved. It is our understanding that PacifiCorp will submit a completely revised reclamation plan based on new survey information.

While we certainly want to put the highwall elimination issue to rest as quickly as possible, we are also interested in getting the best information and plan possible. Completing new surveys and providing new base maps should aid us in that goal. We encourage you to meet the newly established deadline of June 1, 1999.

Thank you for your help in completing this requirement.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
