Re: Extension Request for Responding to Deficiencies of the Deer Creek Reclamation Plan.

PacifiCorp, by and through its wholly owned subsidiary, Energy West Mining Company (Energy West) hereby submits an extension request for responding to the deficiencies of the revised Deer Creek reclamation plan.

PacifiCorp feels this request is necessary due to the extent of the deficiencies and requests to extend the response period another 83 days to the end of the year. PacifiCorp acknowledges the Division's concern to include highwall elimination in the Deer Creek reclamation plan and anticipates completing the revisions by December 31, 1999.

If you have any questions or concerns regarding this request please contact me at 435-687-4720 or Dennis Oakley at 435-687-4825.

Sincerely,

Chuck Semborski
Geology/Permitting Supervisor
