Re: Extension of Time to Access Rilda Canyon, PacifiCorp, Deer Creek Mine, ACT/015/018-99B, File #2, Emery County, Utah

Dear Mr. Semborski:

As we discussed on the phone, this letter is written to allow a one time variance from your permit stipulation which limits access to the Rilda Canyon to the period from April 15 to December 1. You have indicated a need to access Rilda Canyon through December 3rd of this year. Contacts with the DWR and USFS have verified that favorable weather conditions exist and the big game have not entered the area as of yet. You are hereby authorized to utilize the Rilda Canyon Road through December 3, 1999. Please complete your work as quickly as possible.

If you have any questions regarding this approval, please call me at (801) 538-5325 or Steve Demczak at (435) 613-5242.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
