Re: Full Extraction Longwall Mining Beneath the Castlegate Escarpment in the North Rilda Lease, PacifiCorp, Deer Creek Mine, ACT/015/018-AM00B, Outgoing File

Dear Messrs. Manus and Walter:

I have enclosed the amendment to address permit stipulations pertaining to the environmental analysis required prior to conducting full extraction longwall mining beneath the Castlegate Escarpment in the North Rilda Lease of the Deer Creek Mine.

As you are aware the Decision Notice/Finding of No Significant Impact (FONSI) was signed on November 1, 1999 and published on November 2, 1999 with no written appeals. This amendment revises the Deer Creek permit to address the completion of the environmental analysis and resulting FONSI.

Please concur or identifies your concerns by March 14, 2000. If you have any questions, please call me.

Sincerely,

A handwritten signature in black ink, appearing to read "Pamela Grubaugh-Littig".

Permit Supervisor
