Re: 2nd Extension of Time to Respond to March 13, 2000 Deficiency, PacifiCorp, Deer Creek Mine, ACT/015/018-AM99C, Outgoing File

Dear Mr. Semborski:

The Division has been working with you to correct problems with the reclamation plan at the Deer Creek Mine. A technical analysis was sent to your office on March 13, 2000 wherein you were required to correct a number of plan deficiencies by May 15, 2000. Your letter dated July 21, 2000 requests a 30 day extension of time to correct the deficiencies.

We hereby grant an extension to August 14, 2000 to complete the requirements. Please make every effort to meet this revised deadline.

Please call if you have any questions.

Sincerely,
