Dear John:

Enclosed you will find one copy each of the Forest Service Decision Memo and Special Use Permit for the Energy West Mining Mill Fork/Joes Valley Coal Exploration project. The Forest Service Service has obtained a bond from Energy West to insure surface reclamation at the time of project completion. We understand that your agency has secured a bond to insure subsurface reclamation.

If you have any questions please feel free to contact Carter Reed or Brian McClelland at the above address and telephone number.

Thank you for your assistance in this matter.

Sincerely,

*Elaine Zieroth*
