Re: Extension of time to Respond to Deficiencies in Deer Creek Reclamation Plan &
Vol. 9, PacifiCorp, Deer Creek Mine, [REDACTED] AM99C-3 & AM00D, Ou [REDACTED]

Dear Mr. Semborski:

The Division received your request for an extension of time to respond to the deficiencies in the revised Deer Creek reclamation plan on January 5, 2001. PacifiCorp is hereby granted an extension of 60 days to complete the necessary revisions to the plan. We are extremely anxious to complete this project, especially since it ties to the highwall elimination issue that has been the subject of DOGM/OSM Evaluation. We encourage you to make every effort to complete this project by the new March 9, 2001 deadline.

If you have any questions, please call me at 801-538-5325 or Paul Baker at 801-538-5261.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
