RE: **Application for Permit Change - Incidental Boundary Change, PacifiCorp, Deer Creek Mine, C/015/018, Emery County, Utah**

Pursuant to R645-303-22, PacifiCorp on November 27, 2001 submitted an application to amend the Deer Creek Mine permit. The amendment involved an Incidental Boundary Change (IBC) to add 65.7 acres of US Forest Service land to the Deer Creek Mine permit area. At the time of the submittal, two approvals were still pending, 1) Minor Modification of Resource Recovery and Protection Plan (R2P2), 2) Bureau of Land Management Federal Coal Lease U-06039 Modification. Both items were approved on December 14, 2001. Enclosed are seven (7) copies of each approval to be inserted into the IBC booklet submitted on November 27, 2001.

Please insert:

- Exhibit #4 Minor Modification of Resource Recovery and Protection Plan (R2P2) approval dated December 14, 2001.
- Exhibit #5 Bureau of Land Management Federal Coal Lease U-06039 Modification approval dated December 14, 2001.

The Division's attention to this application is greatly appreciated. Six (6) copies of these exhibits are enclosed. One copy has been sent to the Price Field Office.

If additional information is required, please call me at (435) 687-4720.

Sincerely,

Charles A. Semborski  
Geology/Permitting Supervisor
