Deer Creek, C/015/018-IB01K, Outgoing File

Dear Mr. Semborski:

The incidental boundary change (IBC) amendment of 65.7 acres to the Deer Creek Mine is hereby conditionally approved. A copy of the Technical Analysis is enclosed for your records. Please submit seven clean copies of the amendment, including the permit boundary description, Volume 1; permit boundary maps, Volume 4 and 5; and engineering, geology and hydrology replacement text and maps, Volume 11.

You will find two copies of the revised permit, which reflects the change in permit area. Please sign both copies and return one copy to the Division.

Thank you for completing this permitting action. If you have any questions, please call Daron Haddock (801) 538-5325.

Sincerely,

for Lowell P. Braxton
