Dear ^{Mary Ann} ~~Ms. Wright~~:

BLM has completed our review of PacifiCorp's application to relinquish portions of Federal coal leases SL-070645/U-02292, U-1358, U-02664, and U-47978. BLM is prepared to move forward with accepting relinquishment of four lease blocks totaling 1990 acres, described in Attachment A, from PacifiCorp's Phase I and II relinquishment requests filed April 24, 1992 and October 16, 1992. Our decision is based on a review of the administrative record, which includes your previous comments.

BLM has determined that these relinquishments are in the public interest, that the accrued rentals and royalties have been paid and that all obligations of the lessee under the regulations and the terms of the lease have been met in accordance with 43 CFR 3452.1-3. If you have any comments or concerns that BLM should consider before the decision is made, please provide them on or before December 20, 2003 (by mail or email). ✓

Should you have questions, or need additional information, please contact Gregg Hudson at 801-539-4040 (Gregg_Hudson@ut.blm.gov).

Sincerely,

James F. Kohler
Chief, Solid Minerals Branch
