Re: Mill Fork Lease, PacifiCorp, Deer Creek Mine, C/015/018-PM01I-3, Outgoing File

Dear Ms. Zieroth:

The Division has received a response to the latest round of deficiencies in the Mill Fork Lease application. A copy is enclosed for your review. Hopefully, your previous comments on this project have now been adequately addressed. We anticipate completing this round of review by February 28, 2003. Recalling that this is leased state (SITLA) coal, we are requesting your final comments and determinations by this date, regarding post mining land use and as to any special requirements necessary to protect non-mineral resources for this project.

Jim Smith has been assigned as the Team Lead on this project. If you have any questions, please call him at (801) 538-5262 or me at (801) 538-5325.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
