In Reply Please Refer to Case No. 04-0465

Dear Ms. Malin:

The Utah State Historic Preservation Office received the referenced information on April 27, 2004. After consideration of the consultation request in behalf of the DOGM, the Utah Preservation Office provides the following comments per §36CFR800.

Section 106 Consultation; after consideration of the application, USHPO recommends that all new disturbance areas be included in an area of potential effect, that those areas be surveyed for cultural resources by a permitted archaeologist.

This information is provided on request to assist with Section 106 responsibilities as specified in §36CFR800. My email address is: jdykman@utah.gov
