Dear Mary Ann:

BLM has completed further review of PacifiCorp's application of April 24, 1992 to relinquish portions of Federal coal lease SL-064607/064621, totaling 150.00 acres. In a letter to PacifiCorp, dated February 20, 2004, BLM had decided not to accept relinquishment of this lease block due to issues regarding potentially recoverable reserves. The issues surrounding our decision have since been resolved, and BLM is prepared to move forward with accepting relinquishment of the lease block as described in Attachment A. Our decision again is based on a review of the administrative record.

BLM has determined that this relinquishment is in the public interest, that the accrued rentals and royalties have been paid and that all obligations of the lessee under the regulations and the terms of the lease have been met in accordance with 43 CFR 3452.1-3. If you have any comments or concerns that BLM should consider before the decision is made, please provide them on or before May 28, 2004 (by mail or email).

Should you have any questions, or need additional information, please contact Gregg Hudson at (801) 539-4040 (Gregg_Hudson@ut.blm.gov).

Sincerely,

James F. Kohler
 Chief, Solid Minerals Branch
