Subject: **Clean Copy Submittal for Task ID #1914, PacifiCorp, Deer Creek Mine, C015/018, Emery County, Utah**

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits the clean copies for the amendment to update the conditions at the Deer Creek waste rock site. Originally, Energy West submitted an amendment application to revise text in Volume 10 and Volume 2 on August 28, 2003. The permit change was needed to reflect the improved surface of the waste rock site access road for the Deer Creek Mine.

A technical analysis document on this application was received on October 6, 2003. This document found the amendment application contained deficiencies to the Utah R645 Coal Regulations. Energy West requested an extension to respond to these deficiencies on October 31, 2003. The Division granted the request until November 17, 2003. The deficiency response document was submitted on November 11, 2003. The Division reviewed the deficiency document and found that it still contained deficiencies. The Division sent the technical analysis to Energy West on December 22, 2003. Energy West responded to the deficiency document on January 20, 2004 but requested that the documents be sent back. Please refer to Task ID #1770.

Energy West resubmitted the amendment on April 23, 2004 with amended pages to Volume 10 and Volume 2 that comply with the Utah Coal Regulations for improving the Deer Creek Waste Rock Site access road. This road was reclassified from an ancillary road to a primary road within the Deer Creek permit boundary. The Division sent the technical analysis with a deficiency on May 18, 2004. Energy West responded to this deficiency on June 16, 2004 and the Division granted approval on the condition that seven (7) clean copies of this amendment be submitted.

Attached is a C2 form and seven (7) clean copies of the amended MRP text as outlined below:

- Volume 2, Part 3, page 44-45
- Volume 2, R645-301-800: Bonding - Summary page, Demolition Cost Summary page, Demolition Cost; Asphalt Removal 3A
- Volume 10, Chapter II, Entire Text Section
- Volume 10, Chapter III, page 3-3
- Volume 10, Chapter IV, Section I pages 4-1 through 4-3
- Volume 10, Chapter IV, Section V, page 4-16
- Volume 10, Map Section, Map 4-5

Please stamp "Approved" so these changes can be incorporated into the Deer Creek MRP. If you have any questions or concerns regarding this document, please contact myself at (435) 687-4720 or Dennis Oakley at (435) 687-4825.

Sincerely,

for *Dennis Oakley*
 Charles A. Semborski
 Permitting/Geology Supervisor
