Subject: Amendment to Rilda Canyon Portal Facilities for Intake Entry Portal Breakout

Pam and Wayne:

Attached you'll find the revision to the soils chapter of Volume 11 of the Deer Creek Mine MRP for your immediate review. Please note on page 19 of the Soils chapter that Figure 1 is not included. We had difficulty getting the file to convert to a .pdf properly. Therefore, the figure is attached in a separate file. The original copies includes Figure 1 on page 19. Seven copies along with the C1/C2 forms are being sent via US Mail. We appreciate your assistance in this matter.

Sincerely,

Dennis Oakley
Senior Environmental Engineer
