RE: Compliance Review for Section 510 (c) Findings - Permit Renewal, Deer Creek Mine, PacifiCorp, C/015/0018

As of the writing of this memo, there are no violations or cessation orders which are not corrected or in the process of being corrected at the Deer Creek Mine. There are no finalized Civil Penalties that are outstanding and overdue in the name of PacifiCorp. PacifiCorp does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.

The recommendation from the Applicant Violator System (AVS) denotes there were no violations associated with PacifiCorp (attached).
