Subject: Re: Missing samples for 3rd Qtr

Dennis,

I have uploaded the last five sites for Deer Creek, third quarter 2005, from the pipeline into the database. A report is attached.

The flow value for the September HCC04 sample is still missing. If you e-mail it to me, I can put it in with the sample.

Please let me know if you have any questions.

Thank you,

Dana:

The six missing samples from the 3rd qtr. submittal requirements are ready to be uploaded into the Division's database.
