Subject: RE: CCC01 3rd Quarter Field Data

Jim,

The DO for RCW4, RCR1 and RCF3 were field measurements that were not added by the lab on the analytical reports. The results are as follows, RCW4- 8.16, RCR1- 8.43, RCR3- 7.18. RCR2 had no DO because it was dry.

Thanks, Guy

Guy,

Thanks.

The data for Trail Mtn. CCC01 and the K value for WCWR1 are now in the database.

Checking Deer Creek, I didn't find a DO value for RCW4. lower Rilda Creek. Do you have one?

Jim,

I re-input the CCC01 information for July, August and September on the system. It is ready for you to upload.
