Dennis,

we need the C1 C2 forms to process the bond and get it incorporate into the MRP. It is a process and I have to stick with the process. I cannot incorporate anything without a C1 and C2 form. The C1 C2 form shows what was added and when. I am sorry for the any problems the request causes you. I can get the bond information into the MRP by tomorrow at the latest if I get the C1 and C2 forms today. I talked with the office techs and there is no way around it.

The Division needs 2 copies, one for the public information center and one for the MRP. I will make a copy for the PIC. So I am doing what I can to get this done ASAP. Dennis please let me know if you need any other help.

Dennis,

the bond calculations did not come with a C1 C2 form. Please email me a C1 C2 form so we can process the amendment. Call if you have any questions. Sorry this is taking so long.
